

TO THE
WORTHY AND INDEPENDENT
Electors of Westminster.

MANY insidious and underhand Artifices having been used to weaken the Attachment of Mr. F O X's Friends, and to mix with the great Point now at Issue, Considerations totally foreign to it; an ELECTOR wishes to recall Men's Minds to the real Question now in Agitation, and to observe, that whatever Prejudices some of you might have been induced by the Misrepresentations of his Enemies to entertain against Mr. F O X upon particular Points, the Measures which the Majority of the House of Commons are now pursuing are those on the Success of which our Existence as a Free People depends. The Matter is simple, and within every Man's Comprehension—It is, *Whether a Confederacy between SECRET INFLUENCE and the ARISTOCRACY (over whom YOU have no immediate Controul) shall succeed in Their Unconstitutional Endeavours to degrade the British House of Commons into the slavish Condition of a Parliament of France.*

N. B. The GENERAL MEETING will be held in Westminster-hall on *Saturday* next the 14th Instant at TWELVE o'CLOCK.
